

Custom Continuity Plan

We call our disaster recovery plan Custom Continuity because we tailor each plan to our customers' needs rather than hamper you with paperwork. No long-term requirements, no term renewals with each contract change, and complete hardware flexibility are a few of the reasons to choose CSO.

Plus, our position as a premier onsite service provider in Illinois and Indiana means that expert technical assistance is on hand seven days a week, 24 hours a day.

With offices in:
Hickory Hills, IL
Mishawaka, IN
